Last Saturday proved to be another frustrating afternoon for Bann as they drew their fifth game of the league season against third placed Glenanne. This result leaves Ulster Carpets sponsored Banbridge comfortably in the top six with only four games of the regular season left but on another day they could have gained all three points and closed the gap to league leaders Lisnagarvey.

Glenanne took the lead in the eighth minute when Richard Couse tapped in at the back post. The closest Bann came to equalising in the first half was from a Philip Brown penalty corner which was well saved by David Lawless in the visitors goal.

However, Brown got the better of the keeper early in the second half when his third penalty corner rocketed past the keeper's outstretched arm. And a minute later the home side took the lead when Charlie Rowe stole the ball in midfield and set up Johnny McKee to round Lawless to the delight of the Havelock faithful.

Shane O'Donoghue equalised for Glenanne from the penalty spot after his penalty corner effort struck a Banbridge defender's foot. The game petered out with neither team able to create a clear-cut chance to win the game.

Banbridge find themselves at home again next Saturday when they entertain Dublin Corinthians at Havelock Park at 2:45pm.
