MATTHEW ANDERSON (1), SHANE WARREN (1)						

Banbridge Men's 4ths played out a dominant two nil victory over CIYMS at CIYMS on Friday evening in the opening game of their 2021/22 campaign.

With it being the first game of the season there was always going to be the possibility of lethargy and a lack of sharpness in Banbridge's play however from start to finish the fourths produced a commanding performance.

Banbridge opened the scoring in the first half after some patient play from Ryan Jones who craftily worked his way along the bye line and flashed the ball across the goal for Shane Warren, who calmly slotted it into the CIYMS goal.

Matthew Graham and Dave Morrison were solid in defence. and the fourths continued to pile on the pressure and had most of the ball for the rest of the game.

Matthew Anderson doubled the score later on with an expert finish.

The fourths now look forward to a home fixture on Friday evening against Lisnagarvey.
