Banbridge Men's 4ths played out a well-deserved 8-1 victory over North down 5s at Nendrum College on Saturday afternoon, continuing their 100% win record in their 2021/22 season.

Although going 1-0 down in the first quarter, Banbridge started putting some good passes together which led to an equaliser and the first of two goals from Simon Ferris, putting the game level, going into the second half.

With some good saves from Ross Stewart and Banbridge continuing to apply pressure, Jake Rainer was able to steal the ball high up the pitch setting up Nathan Reid to give Bann the lead.

The lead was further increased in the third quarter with two well taken goals by Joshua Moles, as well as Simon Ferris getting his second to take the score to 5-1.

The goals kept coming in the fourth quarter, with expert goals from Ryan Jones, scoring twice and Jake Rainer to finish the job 8-1.
